

JUST TAEKWONDO

I N T R O

[charyeot!]

Welcome to the world of just Taekwondo !!

[gyeong nye!]

You know that muscles and force can be grown.

[junbi!]

But what about things you don't know ?!

It's just Taekwondo...

V E R S E 1

It's so much more than high kicks and one lucky punch,
it's not all about fighting and being greedy to scrunch.

We don't quest for revenge, for cups or for medals,
our drive and incentive are hard to undo.

We're showing you how to use the brake pedals,
we're judging the "me" not judging the "you"...

P R E C H O R U S

Muscles can grow easily,
but what about things you don't see ?!

C H O R U S

Teaching to fight and not knowing why:

This is a plain dead end philosophy !!

Muscles and force can be grown,
but what about things you don't know ?!

It's just Taekwondo...

V E R S E 2

You feel that side kicks and jumps can be so addictive,
you get more dynamic, much faster and strong.

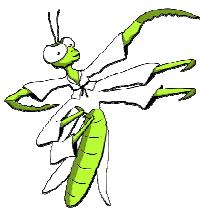

Yes, being a fighter can be so seductive,
but your attitude might be selfish and wrong!

B R I D G E

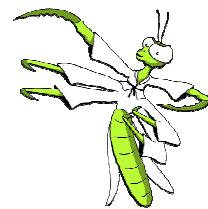

Attitude is the hardest thing

of all subjects one could teach.

And it's the hardest way to walk,
if you want to reach...

[Achtung!]

Willkommen in der Welt von just Taekwondo !!

[Verbeugung!]

Muskeln und Kraft kannst Du züchten.

[Anfangssstellung!]

Doch wovor willst Du flüchten ?!

Es ist nur Taekwondo...

V E R S E 1

Hohe Tritte und schnelle KO's sind nur eine Facette,
der Drang zu kämpfen klebt an Dir wie eine Klette.
Wir üben keine Rache und jagen keine Trophäen,
unser Antrieb ist zunächst schwer zu verstehen.
Laufe so schnell Du kannst bis Du fällst,
urteilen kann jeder nur über sich selbst.

P R E C H O R U S

Prahlen hast Du immer schon gekonnt,
doch wie weit ist Dein Horizont ?!

C H O R U S

Kampfkunst zu lehren und nicht wissen warum:
Das ist moralisch falsch, gefährlich und dumm !!
Muskeln und Kraft kannst Du züchten,
doch wovor willst Du flüchten ?!
Es ist nur Taekwondo...

V E R S E 2

Schöne Tritte und hohe Sprünge machen süchtig,
Deinen Körper trainierst Du immer tüchtig.
Das Kämpfer-Leben kann Dich verführen,
möchtest Dich selbst zum Champ küren!

B R I D G E

Einstellung lässt sich viel schwerer vermitteln,
wir bringen Deine geistige Haltung zum Zittern.
Bist Du bereit, diesen steinigen Weg zu sehen?
Nimm unsere Hand und wir helfen Dir, ihn zu gehen...
